Fine Havana cigars

From the humidor

Light - Medium cigar

Romeo Y Julieta No3

Winston Churchill's favoured cigar brand after his visit to Havana in 1946. Romeo Y Julieta's balanced & aromatic blend of leaves make them classic medium bodied Habano. The No3 is a really useful small cigar but it's not as small as you might think!

Size: 4 ½ Inches x 40 Ring Gauge. £15.50

Light - Medium cigar

H. Upmann Corona Junior

Formerly known as the Petit Upmann, this small cigar has the distinction of the being the one that President Kennedy bought heavily just before he signed the US / Cuban trade embargo. A great cigar, especially when time is at a premium. Classic H. Upmann quality and taste.

Size: 4 1/2 Inches x 36 Ring Gauge. £9.60

Medium cigar

Cohiba Siglo III

Originally created for President Fidel Castro in the then top secret El Laguito factory, Cohiba is the flagship brand of all the Havana's. Cohiba, in its purest form, is an ancient Taino Indian word for bunches of tobacco leaves and was first seen by Columbus in 1492 being smoked by the original inhabitants of Cuba. Today, the tobacco selected for Cohiba is the "selection of the selection" and is perfectly demonstrated in this cigar – elegant, medium bodied with the distinctive Cohiba richness that has become indicative of world's finest cigar.

Size: 6 1/8 Inches x 42 Ring Gauge. £28.50

Medium - Full cigar

Montecristo Petit Tubos

Montecristo is the best selling, most popular handmade cigar brand in the world! The name comes from Alexandre Dumas' famous novel "The Count of Montecristo", which was read to the cigar rollers in the factory where the brand was first produced in 1935. Rich, tangy flavour is the benchmark for many smokers embarking on their journey to find their preferred Havana cigar.

Size: 5 1/8 Inches x 42 Ring Gauge. £16.10

Machine made

Guantanamera Cristales

A machine made Cuban cigar. Size: 5 7/8 Inches x 41 Ring Gauge. £6.80

Cohiba Clubs (10 pack)

Brilliant little bundles of Cuban magic. They are very small, almost cigarette like in size, perfect for the cigar enthusiast with limited time on his hands or for the novice smoker who does not fancy puffing through an entire cigar. Either way, these tiny cigars are much loved by the cigar smoking community and are a joy to smoke. Made in the same first-class Cuban tobacco fields as larger cigars from the main series, which is why they taste so wonderful!

Size: 5 7/8 Inches x 41 Ring Gauge. £17.10
