The Christmas party venue

Warm up by the huge open log fire in the dining room, kick back on the soft furnishings or wrap up with a fleece on the winter terrace. Either way we'll have a feel-good festive soundtrack, decorated Christmas trees, twinkling Christmas lights & lots more.

Plus you'll most likely find us in our favourite Christmas jumpers!

A great Christmas normally involves a few great drinks so there'll be plenty of festive cocktails, some wonderful wines that match perfectly with our menu, some hoppy & flavoursome craft beers as well as a good range of non-alcoholic soft drinks. We also have a range of Christmas party food designed to be eaten while holding a drink in one hand!

Christmas

for kids

The 2 course, festive children's Christmas menu has a choice of main course, includes a drink & now comes with an ice-cold, malted milkshake as standard along with a lucky dip present for every child. Rumour has it that Santa Claus is visiting us here too- check our social feeds for more details closer to the time!
